I am writing this to you for I filed a 1st amendment case in the 6th circuit that was dismissed and I would like to appeal it however I do not know to do so the case number for the case is 18-CV-1061-BBC so if you would like to get the case and read it .

Now I did ask the court for a lawer and was turned down even after I gave them the names of three lawers that my little brother called and left a message and got no call back from I will put their names in this letter at the end .

Now I do not know the law it confuses me I was in special ED all through school as well I have ADHD along with a anxiety disorder and when it comes to the law I get confused and overwhelmed thus I really do need a lawer to help me with this case that a patient who was going to file with me then got scared and backed out so I put it in alone then the patient who was helping me got out of here and from what I hear is no longer in the state of WI thus I had to wing things with the case half way through because I couldn't get the court to give me a lawer.

Now like I said I would like to appeal this for your court is the one who ruled for Brown in the Brown V IL on the same thing of being denied legal media of all kinds and from what I got in information from the patient who was helping me the Brown case sets president on places like this one and their denial of our 1st amendment rights .

Well I hope that you can and will help me in this matter of appealing this case and giving me a lawer .

Now below are the three names of the lawers that my little brother called and got no answer back from :

#1- RICHARD BOLTEN (MADISON) PHONE NUMBER : 1-(608)-257-9521

2-BRADY C. WILLIAMSON (MADISON) PHONE NUMBER : 1-(600)-257-3911

3-TIM PROVIS (PORT WASHINGTON) PHONE NUMBER : 1-(414)-339-4458

Now I hope this help you see that I did try to find a lawer even though I can not aford one and I really do want to appeal this 1st amendment case for I am a full grown man over 18 and I have the right to all legal media regardless of what I say or say not have dun wrong in my life under the 1st mendment .

I thank you for your time and hope to hear from you soon .

THANK YOU TRULY
SCOTT THOMAS MAHER
